

DATA KOALAS

Saasha, James, Michael, Kiarash & Jess

What did we find interesting?

The Winner of the best on ground award was given to Jessica Dal Pos. However, the data suggests that Alicia Eva performed slightly better in almost all aspects besides dispatch efficiency. This shows that there is more to being a valuable player than your statistics.

Like the code of
conduct of the player.

2018 data	Jessica	Alicia
a. Kicks	7.4	13.7
b. Goals	0.1	0.1
Behind	0	0.1
Marks	0	1.4
Dispatch efficiency	63.6	56.0

What did we learn from making our app?

We learnt how to build upon an existing system to integrate team data in a dynamic fashion and subsequently, obtaining interesting insights from the data.
